DIARY NOTES

DD/S

*W rlb/f*

14 July 1964

1. At the Executive Committee Meeting this morning General Carter agreed that the Office of Security should designate someone to work with

[REDACTED]

*H*  
25X1A

2. I referred to Howard Osborn for appropriate investigation a classified advertisement about an unfurnished house in the McLean area which aroused some curiosity on the part of Dick Helms.

3. I talked with Jack Earman about his paper on grants, and he told me that [REDACTED] have been discussing this and that Marty is in the process of redoing a portion of the handbook, which he believed would take care of the situation.
